Please list the curricula that you are using by subject in the appropriate category below. If you are using a unit study, please list the units under the appropriate subject. If the grade level is indicated, note it as well. Each category should be communicated clearly. Under the Language Arts category it would not be clear to say "A-Beka 8<sup>th</sup> Grade English." You could say "A-Beka 8<sup>th</sup> Grade Grammar and Composition II (literature book), Of Places, and Vocabulary, Spelling, and Poetry 11." You see that there are several pieces that comprise "A-Beka 8<sup>th</sup> Grade English." We are not suggesting that you use all of them, but you do need to list clearly the pieces you are using.

## Membership Agreement

As conditions of membership and enrollment in OCTAI, we, as parent/teachers, agree to

- 1) Exercise diligence in providing regular and thorough instruction to our children using an organized and clearly recognizable educational curriculum or customized program.
- 2) Organize each student's records in a portfolio to be reviewed by our group coordinator. This portfolio must include:
  - A calendar showing school attendance of 180 days-may include up to 10 sick days
  - Lesson Plans that identify the assignments completed for each subject
  - The year-end report
  - A list of books the student has read or listened to
  - Samples of the student's work in subject areas covered, including samples from the beginning, middle, and end of the year to demonstrate progress
- 3) Be available to attend review meetings in September (or within 4 weeks of enrollment), January, and May. These reviews are necessary to assure that members are prepared to satisfy minimum school requirements before the year-end review deadline.
- 4) Have new students tested in grades 3-8 and re-enrolling students in grades 3,6,8 and 10 using a nationally normed, standardized achievement test (e.g. SAT, ITBS, CTBS, etc.) If students enroll after January 1st, they will be required to test the following year. Testing is also required for students enrolled in OCTAI's diploma program, see handbook for details. Families having children with special needs may arrange with the testing coordinator to use an alternative method of documenting student progress.
- 5) Notify immediately the OCTAI Principal, Board President, or Portfolio Leader if contacted by any state or federal education or government officials regarding any matters related to your home school.
- 6) Inform OCTAI immediately, in writing, of any change of address and/or phone number or of plans to transfer to/from another school.
- 7) Join HSLDA as required (see handbook) and send a copy of HSLDA application to OCTAI as part of the enrollment application. Send a copy of the HSLDA membership acceptance letter to OCTAI records department as soon as you receive it. **(OCTAI, highly recommends, but does not require, HSLDA membership for re-enrolling families.)**
- 8) Pay all applicable membership fees/penalties.
- 9) Volunteer 8-10 hours of service to OCTAI as needed.

Membership enrollment is for one year only and must be renewed annually no later than Sept. 1<sup>st</sup>.

We have read the handbook and understand the requirements of OCTAI membership and the services OCTAI provides. We affirm by our signatures that, to the best of our knowledge, the information provided in our application is true and accurate.
